

CALL FOR ONE 36-MONTH POSITION IN GEOMETRY

Institution: “Sapienza” Università di Roma, Department of Mathematics.

Funding: FIRB 2010.

Project title: *Low-dimensional geometry and topology.*

Field: Mathematics (differential geometry, low-dimensional topology).

Subject: Riemann surfaces, Teichmüller theory, geometric structures.

Teaching: no teaching load.

Gross salary: EUR 29540 per year.

Required degree: laurea (DL, LS, LM) or equivalent.

Deadline for application: 25 July 2012.

Link: the Italian formal announcement can be found at the address
<http://www.mat.uniroma1.it/bandi/assegni.html>, Bando 2/2012.

Further information: send an e-mail to assegni@mat.uniroma1.it.

Evaluation process. Candidates will be evaluated first according to laurea mark, publications and preprints, CV and possible recommendation letters. The short-listed candidates will be contacted for an interview, which may take place via skype.

How to apply.

All files (except the possible recommendation letters, see below) should be sent by email to assegni@mat.uniroma1.it in PDF format and collected in a .zip compressed file (filename YOURSURNAME_assegno2-2012.zip).

If your .zip file exceeds 15Mb, then split your material and send more .zip numbered files (filename YOURSURNAME1_assegno2-2012.zip, YOURSURNAME2_assegno2-2012.zip and so on).

In Form A (filename YOURSURNAME_domanda.pdf) you should declare:

- name and surname;
- place and date of birth;
- permanent address;
- citizenship;
- enjoyment of political rights;
- possible convictions;
- DL, LS or LM laurea degree or equivalent¹(with mark, date and institution).

In Form B (filename YOURSURNAME_B.pdf) you should declare:

- if you are a PhD student with no fellowship (with dates of beginning and end of your course);
- if you had an Italian “assegno di ricerca” or an Italian temporary research associate position (and, in case, with dates);
- if you took a parental leave (in case, with dates).

¹DL, LS or LM laurea degrees are equivalent to the highest grade you can achieve before starting a PhD programme.

You should also send:

- scannerized PDF copy of an ID document (or passport);
- laurea certificate or equivalent (file name YOURSURNAME_laurea.pdf);
- other documents related to your research, such as PhD degree, fellowships, positions, invitations, conferences
(filename YOURSURNAME_titoli_INCREASINGNUMBER.pdf);
- signed CV with date (filename YOURSURNAME_CV.pdf);
- publications and preprints
(filename YOURSURNAME_pubbl_INCREASINGNUMBER.pdf).

You may ask two people (no more than two!) to send a recommendation letter. The letter must be dated, signed and sent by the author of the letter directly to the address `assegni@mat.uniroma1.it` (filename YOURSURNAME_lettera_SENDERSURNAME.pdf) before the deadline.

For each publication you should also declare that the copy you send is conformal to the original (filename YOURSURNAME_DS_INCREASINGNUMBER.pdf).
