

SAPIENZA
UNIVERSITÀ DI ROMA

BiblioTandem

What is BiblioTandem?

It is a **cultural-linguistic exchange**, a way for improving italian language by also experiencing other cultures and lifestyles.

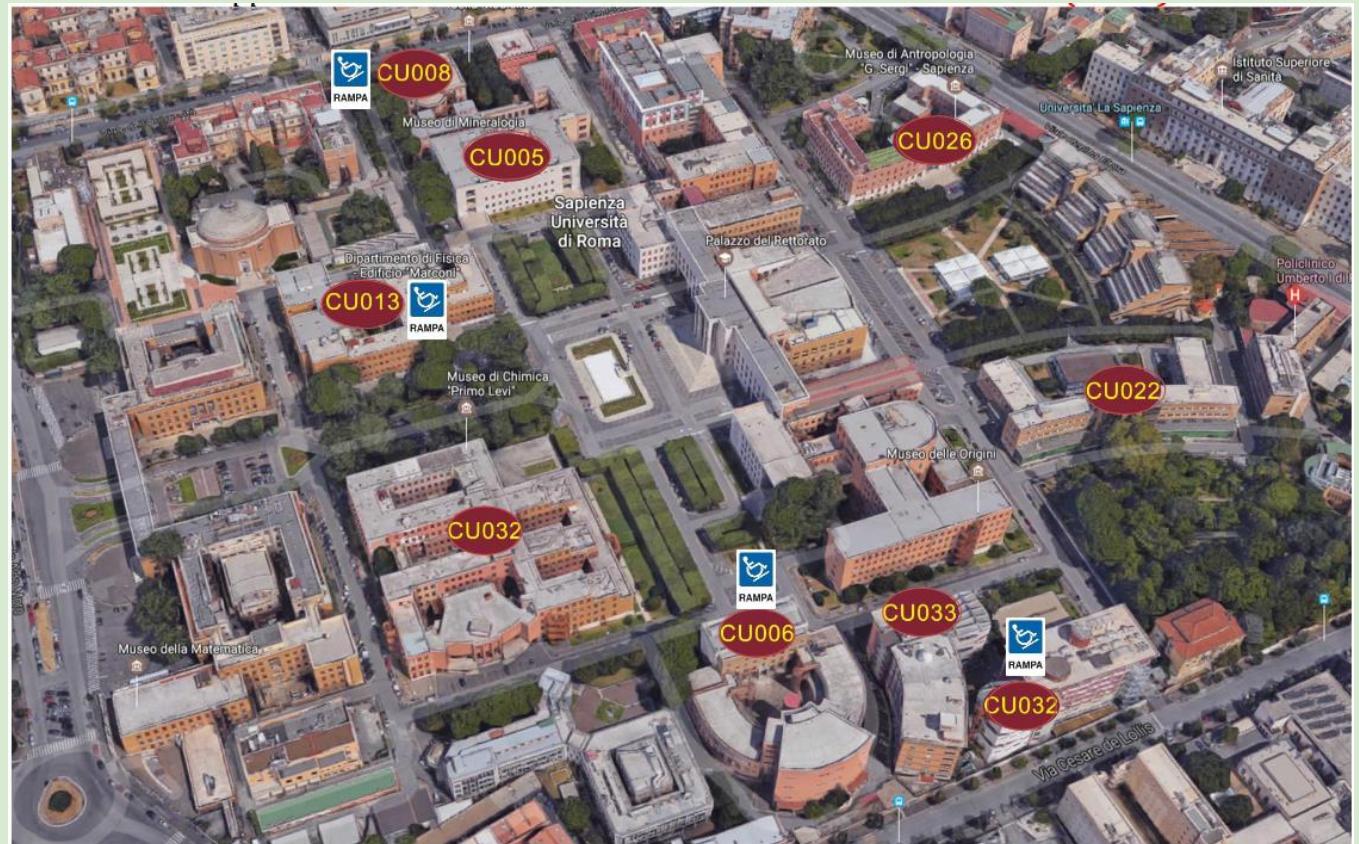

BiblioTandem is an **opportunity** for incoming students **to meet native-speaker students** of the same Faculty.

Where can you find us?

Libraries of the Faculty SMFN
where the project takes place from
next October

-  Biblioteca di Biologia e Biotecnologie «Charles Darwin» CUo26
 -  Biblioteca di Chimica «Gabriello Illuminati» CUo32
 -  Biblioteca di Fisica CUo13
 -  Biblioteca di Matematica «Guido Castelnuovo» CUo06

How to access to Tandem?

Go to: <https://opac.uniroma1.it/SebinaOpacRMS/.do?locale=eng>

3

Select “Make a new reservation”

The screenshot shows a library reservation interface. At the top, there's a blue header bar with the text "Select ‘Make a new reservation’". Below this are several tabs: "Books" (selected), "Audiovisuals", "Ancient Books", "Printed Music", "Graphic", and "Audio". A search bar with a magnifying glass icon is also present. In the main content area, there are links for "Book your place", "Show active and expired reservations", and "Ask a librarian". A red circle highlights the "Make a new reservation" button, which has a green plus sign icon and the text "Make a new reservation".

4

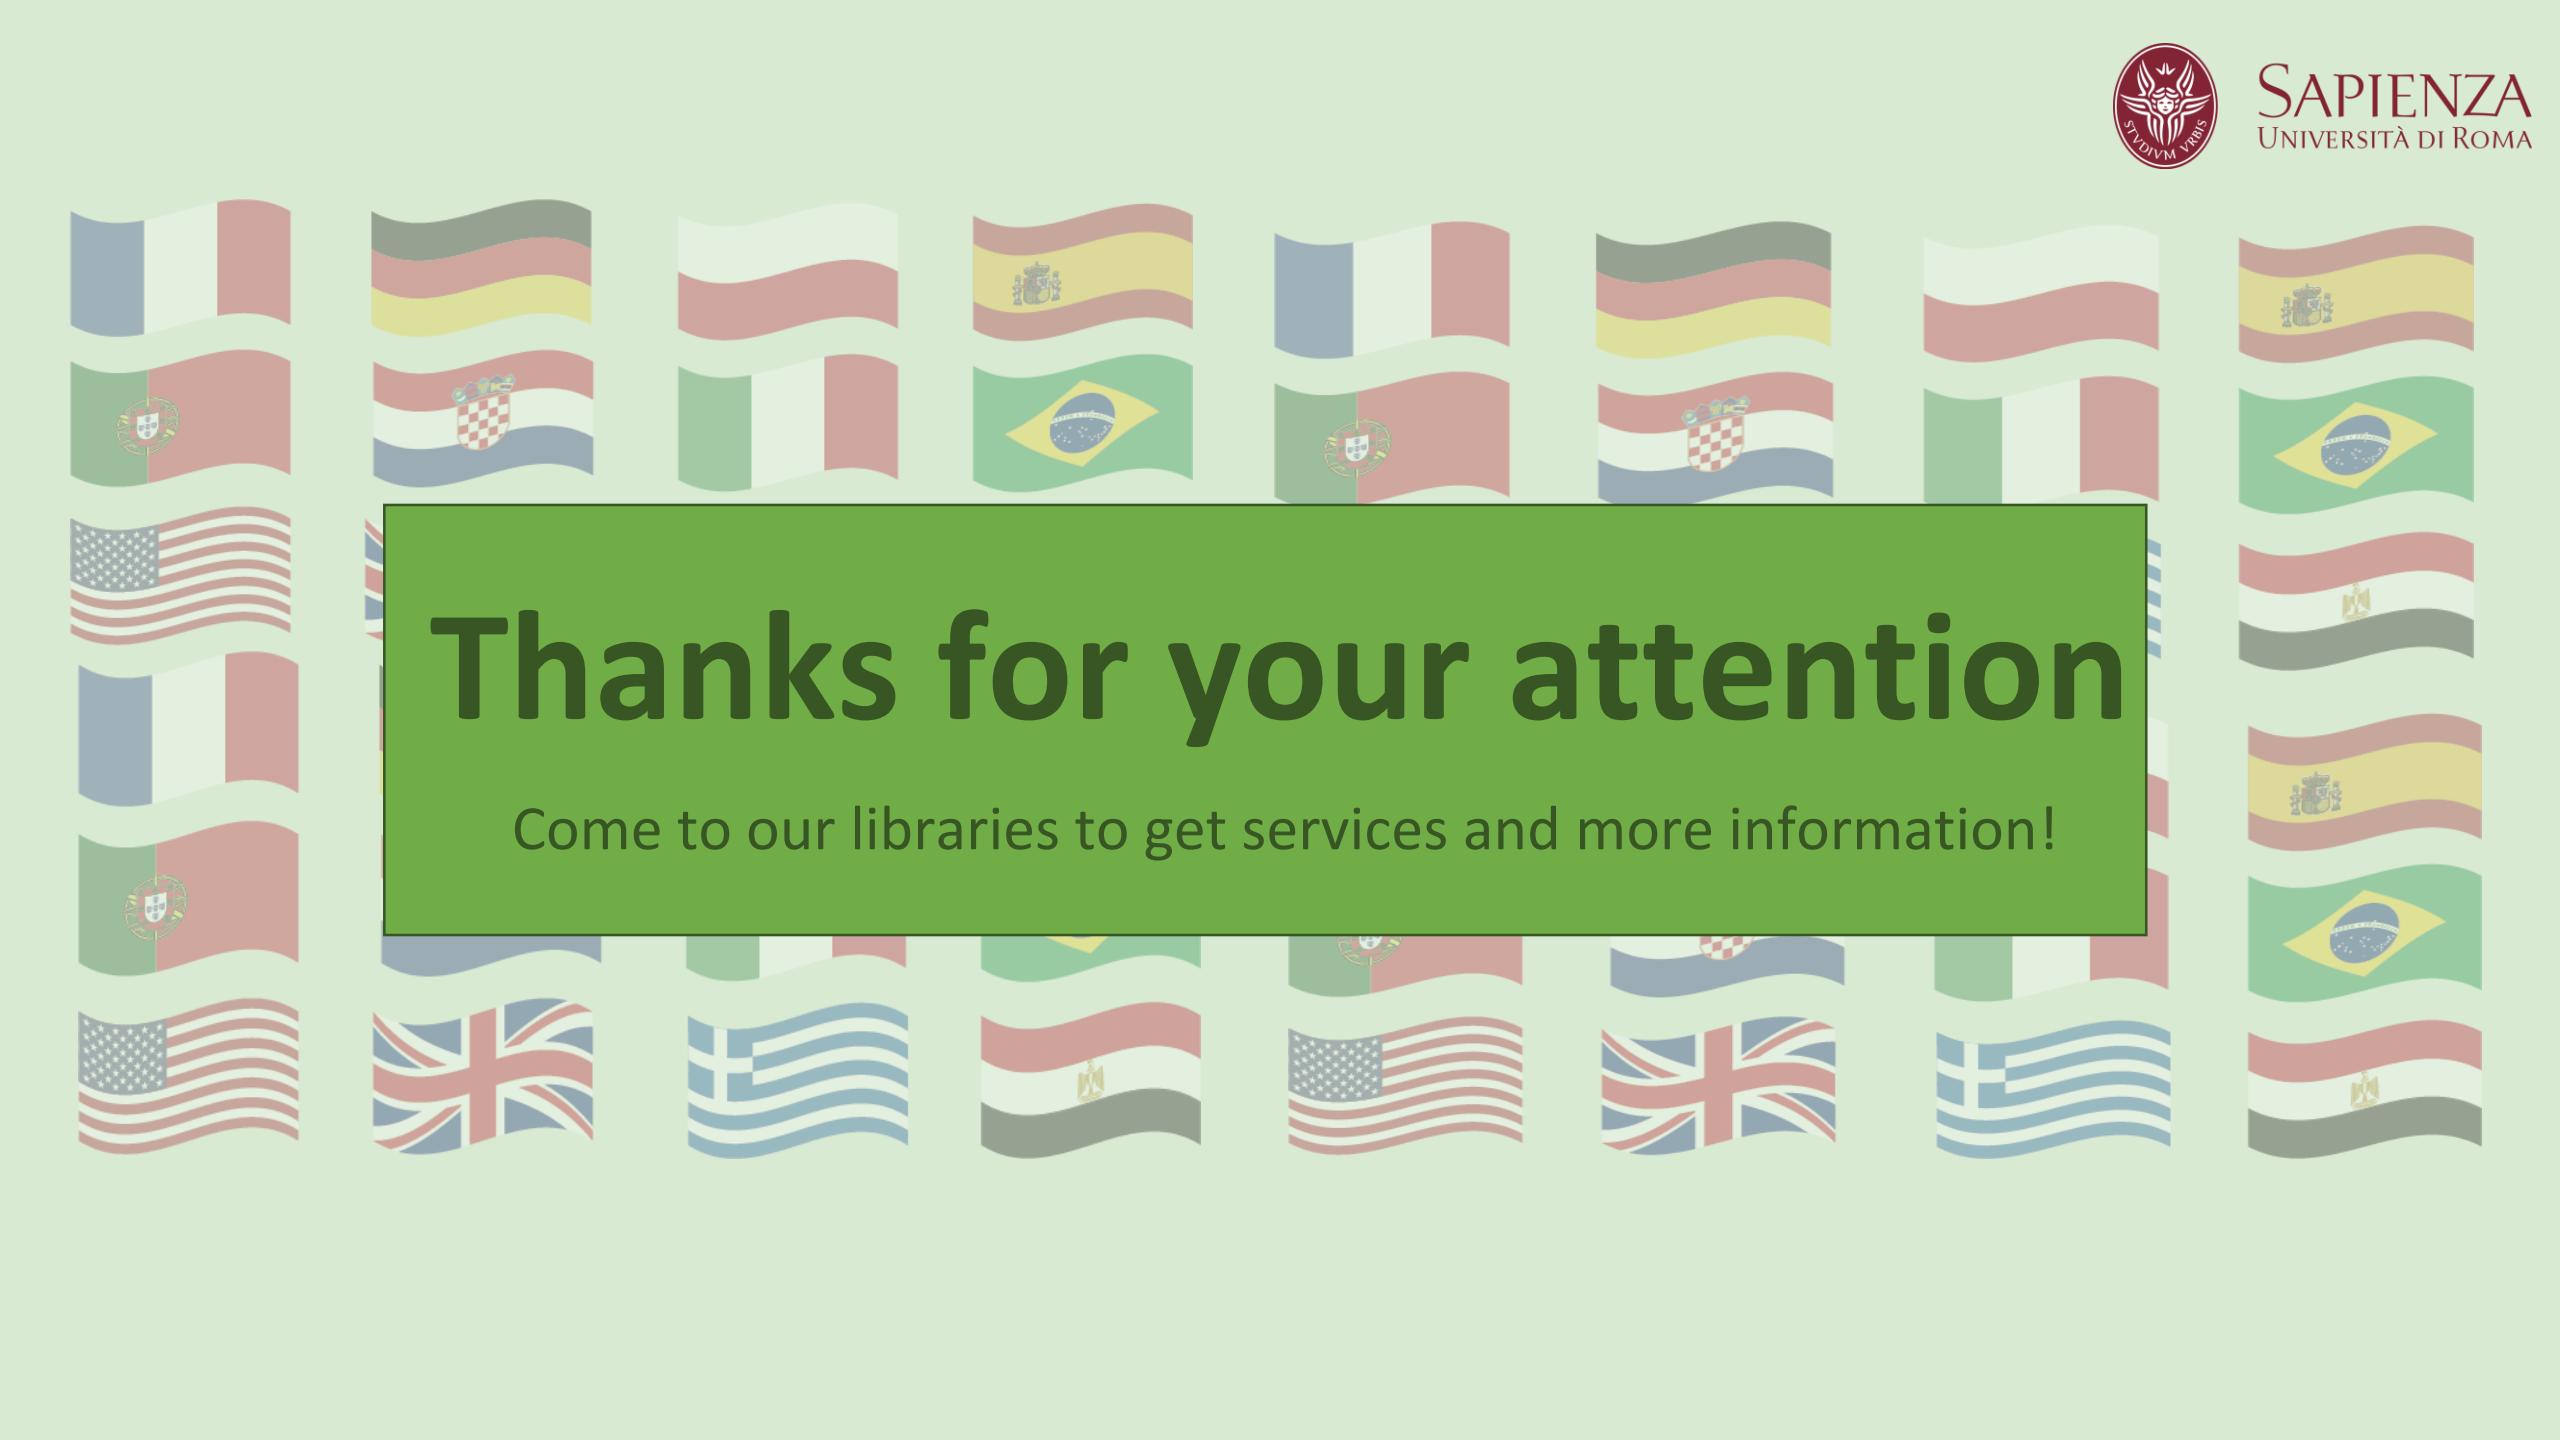

Select “pick-up/return service, and others”

The screenshot shows a library reservation interface. A yellow box highlights the "Select ‘pick-up/return service, and others’" text. Below this, there's a section for "Resource type" with two radio buttons: "Pick-up/return service, and others" (selected) and "Seating place". A red circle highlights the "Select the library" dropdown menu, which shows "BIBLIOTECA DI BIOLOGIA E BIOTECNOLOGIE CHARLES DARWIN". Another red circle highlights the "Select Room/Equipment*" dropdown menu, which shows "Tandem linguistico". At the bottom, there are date fields set to "2022" and "14/09/2022", and a "Search" button.

Select the library
and then “Tandem linguistico”

The libraries where you can find BiblioTandem:

- Biblioteca di Biologia e Biotecnologie Charles Darwin
- Biblioteca di Fisica
- Biblioteca di Matematica Guido Castelnuovo
- Biblioteca di Chimica Gabriello Illuminati

A background grid of various national flags from around the world, including France, Germany, Italy, Spain, Portugal, Croatia, Brazil, the United States, the United Kingdom, Greece, Egypt, and others, arranged in a repeating pattern across the slide.

Thanks for your attention
