Kinetic Theory, Fluid Mechanics and Microscopic Systems: Mathematical Facets of the Physical World

A conference in honour of Mario Pulvirenti
on the occasion of his 80th birthday

Invited speakers

Giada Basile - Sapienza, University of Rome
Alexander Bobylev - Keldysh Institute of Appl. Math.
Emanuele Caglioti - Sapienza, University of Rome
José Antonio Carrillo - University of Oxford
Pierre Degond - Université de Toulouse
Laurent Desvillettes - Université Paris Diderot
Emanuele Dolera - Università di Pavia
Théophile Dolmaire - University of L' Aquila
Giovanni Gallavotti - Sapienza, University of Rome
Lingbing He - Tsinghua University
Mikaela Iacobelli - ETH Zurich
Cyril Imbert - CNRS & ENS-PSL

Tai-Ping Liu - Stanford University
Rossana Marra - University of Rome Tor Vergata
Evelyne Miot - Université Grenoble
Alessia Nota - GSSI
Thierry Paul - CNRS LYSM
Benoît Perthame - Sorbonne-Université
Chiara Saffirio - University of Basel and University of Freiburg
Laure Saint-Raymond - IHES Paris
Herbert Spohn - Technical University of Munich
Giuseppe Toscani - University of Pavia
Cédric Villani - Université Claude Bernard Lyon I
Tong Yang - Hong Kong Polytechnic University

Organizing Committee

Dario Benedetto (Sapienza, University of Rome)
Roberto Natalini (IAC-CNR)
Alessia Nota (GSSI)
Gianluca Panati (Sapienza, University of Rome)
Chiara Saffirio (University of Basel and University of Freiburg)
Sergio Simonella (Sapienza, University of Rome)

Scientific Committee

Kazuo Aoki (National Cheng Kung University)
Eric Carlen (Rutgers University)
Anna De Masi (University of L' Aquila)
Francesco Dell'Isola (University of L' Aquila)
Raffaele Esposito (M&MOCS, University of L' Aquila)
François Golse (École polytechnique de Paris)
Pierangelo Marcati (GSSI)
Tommaso Ruggeri (University of Bologna)
Alessandro Teta (Sapienza, University of Rome)
Bernt Wennberg (University of Gothenburg)

Funded by the European Union - ERC CoG KiLiM 101125162, supported by Department of Mathematics of Sapienza University of Rome, IAC_CNR, Staatsekretariat für Bildung, Forschung und Innovation SBFI
